To the extent that the Personal Data of any Data Subject is disclosed by you to us in your subscription document (or via any other relevant document or communication) for the purposes of subscribing to the Fund, you hereby warrant and undertake that, where applicable, all necessary consents required or permitted under applicable laws have been obtained for the disclosure of their Personal Data to the Fund and the subsequent use and disclosure of their Personal Data by the Fund for the purposes set out in this Privacy Notice, and that, in any case, the Data Subject concerned has been provided with the information contained in this Privacy Notice prior to your transmission of his/her Personal Data to us.

We don't implement any automated decision-making measure, including profiling.

Disclosure of Personal Data

We disclose Personal Data to third parties for the Purposes, including, Affiliates of the General Partner, the AIFM of the Fund, placement agents, brokers, the Fund's agents or delegates, target entities, and as may be required by law or for everyday business purposes, such as to process transactions, maintain account(s), for the purposes of administering the Fund, or to respond to court orders and legal investigations.

We provide such information to our attorneys, banks, paying agents (as the case may be), auditors, any person to whom the Fund is under an obligation to make disclosure to under the requirements of any law binding on the Fund or under and for the purposes of any guidelines issued by any regulatory or other authorities with which the Fund is expected to comply and service providers which provide services to the General Partner, the AIFM of the Fund, such as telecommunications, information technology, payment, data processing, training, storage, archival, trade execution or other services as may be necessary to facilitate the acceptance, management and administration of your investment in the Fund and to enable them to perform services on our behalf.

We also disclose Personal Data to governmental, judicial or regulatory authorities, in Luxembourg or abroad, to the extent required, including with regard to the legal obligation to include certain personal information on ultimate beneficial owners in any relevant register of ultimate beneficial owners, it being understood that some of these registers may be made available online to the general public.

You are hereby informed that the Personal Data may be processed and stored by these aforementioned recipients (including service providers) outside of the EEA, in countries which do not necessarily have an adequate level of personal data protection as recognized by the European Commission.

In the latter case, the transfer of Personal Data will be protected by appropriate or suitable safeguards in accordance with the GDPR.

In the event of any actual or prospective restructuring, sale or acquisition of any company or assets of the Fund, we may also disclose Personal Data to any third party in connection with any such restructuring, sale or acquisition, actual or prospective.

Retention of Personal Data

We will not keep Personal Data for longer than the time necessary for satisfying the Purposes, subject to the legal periods of limitation (as a principle, ten years for commercial matters) and to the situations where applicable laws require or allow Personal Data to be retained for a certain period of time after the termination of the contractual and commercial relationship (such as the legal obligation to keep accounting documents for a period of ten years).

Security of Personal Data

We take our responsibility to protect the privacy and confidentiality of your Personal Data very seriously. We maintain physical, electronic and procedural safeguards to store and secure information about you from unauthorized access, alteration and destruction. Our control policies, for example, authorize access to investor information only by individuals who need such access for the purposes of their function.

Rights of Data Subjects regarding their Personal Data

Subject to the conditions set out in the GDPR, all Data Subjects have the right to:

- access to their Personal Data (i.e. the right to receive confirmation that Personal Data are being processed by us (or not), to access the Personal Data, and to receive supplementary information);
- update and/or rectify their incomplete or inaccurate Personal Data (right to rectification);
- object to the Processing of their Personal Data (i.e. the right to object at any time, on grounds relating to the Data Subject's particular situation, to the processing of the Personal Data, including profiling, which is based on our legitimate interests or on the performance of a task carried out in the public interest or in the exercise of any official authority that we would be vested in. In this case, we shall no longer process the Personal Data unless we demonstrate compelling legitimate grounds for the processing which override the Data Subject's interests, rights and freedoms or for the establishment, exercise or defense of legal claims;
- restrict the Processing of their Personal Data (i.e. the marking of stored Personal Data with the aim of limiting their processing in the future);
- obtain a copy of their Personal Data in a commonly-used machine-readable format (right to portability); and
- request that their Personal Data be erased (right to erasure).

To the extent a processing is made with your consent, you are hence entitled to withdraw your consent at any time, without this affecting the processing carried out before such withdrawal and without prejudice to retention or processing that may be required from us by law.

All requests shall be addressed to the contact point mentioned below in writing.
