¹ The value of the assets taken into account to determine the applicable fee schedule (Silver or Platinum, as defined over time) corresponds to the value of the assets registered on the bank account which is subject to the Discretionary Management Agreement at the time of signing of said agreement. Unless the bank expressly consents otherwise, the subsequent increase of the value of the assets has no consequence on the applicable fee schedule which shall remain the initially assigned fee schedule. In the event the value of the assets decreases to below the above-defined threshold, the Silver fee schedule automatically applies.
